NOTES:

1. In addition there is the problem of whether this would be considered a service or an attempt to influence legislation. I think we should do it.

(Walter L. Pforzheimer)

2. Deputy -

Par. 6. Apparently you have this in hand. We can be placed right in the middle of this one.

3. This is not properly in hand. I had considered the summary as one for the Director's use as he saw fit -- not for public dissemination. Please contact Kirkpatrick and White and insure that nothing on this goes out until I have a chance to discuss it with the Boss.

(Brig. Gen. E. K. Wright)
